Re: Natural Gas Pipeline Maintenance Operation

Please be aware that Algonquin Gas Transmission, LLC will be intermittently releasing odorized natural gas at the Potter Meter Station site off of Potter Drive in Braintree, Massachusetts. The maintenance operation will occur **during the daytime hours of 7:00 a.m. and 5:00 p.m. during the time period of Thursday, October 24<sup>th</sup>, 2019 and Friday, October 25<sup>th</sup>, 2019.** Company representatives will be on site during this work. There may be noise and/or odor associated with this work. There is no cause for alarm and there will be no danger whatsoever to persons or property in the area. Portable deodorizing equipment and monitors that constantly measure the levels of natural gas will be used and Algonquin will make every effort to minimize the volume of gas released. Please be advised that local police, fire and municipal officials in Braintree, Weymouth and Quincy have been notified of the maintenance operation. In addition local fire and police officials are notified shortly before and at the conclusion of the release activity. If you have any questions please do not hesitate to call the Westwood operations office at 781-329-3750 between the hours of 7:30 a.m. and 4:00 p.m. Calls may also be directed to the Enbridge Gas Control 24 hour call line at 1-800-726-8383.
